

# POINCIANA BOULEVARD ROAD WIDENING

From Pleasant Hill Road to Trafalgar Boulevard  
Project Number: PS-20-11503-DG

## YOU ARE INVITED TO A PUBLIC MEETING

Osceola County is holding a virtual and in-person public meeting on **Tuesday, September 14, 2021, at 6 p.m.** regarding the Poinciana Boulevard Road Widening Project. The purpose of the Project is to increase capacity and enhance safety along the corridor. Osceola County is designing the preferred alternative that was selected earlier this year, which will provide two travel lanes in each direction separated by a grassed median. Traffic signal modifications, drainage improvements, and construction of a 10-foot-wide sidewalk to accommodate pedestrians and bicyclists are included. The design also includes 7-foot-wide buffered bike lanes in each direction. The public meeting is an opportunity for the community to learn about the design, ask questions and provide input. The project is currently in the design phase. Construction is expected to begin in summer 2023.
