

# SIMPSON ROAD

Widening and Improvement Projects North and South

from Myers Road to U.S 192

The purpose of this project is to reconstruct Simpson Road from a two-lane to a divided four-lane roadway connecting Osceola Parkway to U.S. 192. This project will be done concurrently in two sections, the north segment, from Fortune Road to Myers Road, and the south segment from U.S. 192 to Fortune Road.

The new roadway includes a 26-foot median and a 10-foot shared use path for bicycles and pedestrians on each side of the road. The project includes two new stormwater ponds, a closed drainage system, signal upgrades, sidewalks, Intelligent Transportation Systems (ITS) components, guardrails, handrails, and gravity walls. New traffic signals are planned on Simpson Road at the New Beginnings Road and Country Lane intersections, as well as upgraded signals at other intersections. Toho Water Authority

sewer, reclaimed water, and water main utility work are also included in the project.

Expect lane closures between 9 p.m. and 5:30 a.m. Electronic message boards and other signage will be used to direct traffic. Motorists are asked to exercise caution and reduce their speed while driving through the work zone. During construction, pedestrian access to sidewalks will be maintained using signed detours, traffic control devices, and/or temporary walkways, when appropriate.

The construction schedule may change due to weather or other unexpected conditions. Noise, dust, and vibrations can be expected during construction.

## QUICK FACTS:

### Project Cost:

*Simpson North:* \$73,170,224  
*Simpson South:* \$29,984,496

### Project Start:

*Simpson North:* Feb. 14, 2024  
*Simpson South:* Jan. 8, 2024

### Estimated Completion:

*Simpson North:* Q1 2027  
*Simpson South:* Q4 2025
